SUBTITLE B. ETHICS

CHAPTER 573. DEGREES OF RELATIONSHIP; NEPOTISM PROHIBITIONS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 573.001. DEFINITIONS. In this chapter:

(1) "Candidate" has the meaning assigned by Section 251.001, Election Code.

(2) "Position" includes an office, clerkship, employment, or duty.

(3) "Public official" means:
   (A) an officer of this state or of a district, county, municipality, precinct, school district, or other political subdivision of this state;
   (B) an officer or member of a board of this state or of a district, county, municipality, school district, or other political subdivision of this state; or
   (C) a judge of a court created by or under a statute of this state.

Sec. 573.002. DEGREES OF RELATIONSHIP. Except as provided by Section 573.043, this chapter applies to relationships within the third degree by consanguinity or within the second degree by affinity.

SUBCHAPTER B. RELATIONSHIPS BY CONSANGUINITY OR BY AFFINITY

Sec. 573.021. METHOD OF COMPUTING DEGREE OF RELATIONSHIP. The degree of a relationship is computed by the civil law method.
Sec. 573.022. DETERMINATION OF CONSANGUINITY. (a) Two individuals are related to each other by consanguinity if:

(1) one is a descendant of the other; or

(2) they share a common ancestor.

(b) An adopted child is considered to be a child of the adoptive parent for this purpose.

Sec. 573.023. COMPUTATION OF DEGREE OF CONSANGUINITY. (a) The degree of relationship by consanguinity between an individual and the individual's descendant is determined by the number of generations that separate them. A parent and child are related in the first degree, a grandparent and grandchild in the second degree, a great-grandparent and great-grandchild in the third degree and so on.

(b) If an individual and the individual's relative are related by consanguinity, but neither is descended from the other, the degree of relationship is determined by adding:

(1) the number of generations between the individual and the nearest common ancestor of the individual and the individual's relative; and

(2) the number of generations between the relative and the nearest common ancestor.

(c) An individual's relatives within the third degree by consanguinity are the individual's:

(1) parent or child (relatives in the first degree);

(2) brother, sister, grandparent, or grandchild (relatives in the second degree); and

(3) great-grandparent, great-grandchild, aunt who is a sister of a parent of the individual, uncle who is a brother of a parent of the individual, nephew who is a child of a brother or sister of the individual, or niece who is a child of a brother or sister of the individual (relatives in the third degree).
Sec. 573.024. DETERMINATION OF AFFINITY. (a) Two individuals are related to each other by affinity if:

1. they are married to each other; or
2. the spouse of one of the individuals is related by consanguinity to the other individual.

(b) The ending of a marriage by divorce or the death of a spouse ends relationships by affinity created by that marriage unless a child of that marriage is living, in which case the marriage is considered to continue as long as a child of that marriage lives.

(c) Subsection (b) applies to a member of the board of trustees of or an officer of a school district only until the youngest child of the marriage reaches the age of 21 years.

Sec. 573.025. COMPUTATION OF DEGREE OF AFFINITY. (a) A husband and wife are related to each other in the first degree by affinity. For other relationships by affinity, the degree of relationship is the same as the degree of the underlying relationship by consanguinity. For example: if two individuals are related to each other in the second degree by consanguinity, the spouse of one of the individuals is related to the other individual in the second degree by affinity.

(b) An individual's relatives within the third degree by affinity are:

1. anyone related by consanguinity to the individual's spouse in one of the ways named in Section 573.023(c); and
2. the spouse of anyone related to the individual by consanguinity in one of the ways named in Section 573.023(c).

(1) an employee of the office to which the candidate seeks election; or

(2) an employee or another officer of the governmental body to which the candidate seeks election, if the office the candidate seeks is one office of a multimember governmental body.

(b) The prohibition imposed by this section does not apply to a candidate's actions taken regarding a bona fide class or category of employees or prospective employees.

Sec. 573.043. PROHIBITION APPLICABLE TO DISTRICT JUDGE. A district judge may not appoint as official stenographer of the judge's district an individual related to the judge or to the district attorney of the district within the third degree.

Sec. 573.044. PROHIBITION APPLICABLE TO TRADING. A public official may not appoint, confirm the appointment of, or vote for the appointment or confirmation of the appointment of an
individual to a position in which the individual's services are under the public official's direction or control and that is to be compensated directly or indirectly from public funds or fees of office if:

Sec. 573.062. CONTINUOUS EMPLOYMENT. (a) A nepotism prohibition prescribed by Section 573.041 or by a municipal charter or ordinance does not apply to an appointment, confirmation of an appointment, or vote for an appointment or confirmation of an appointment of an individual to a position if:

(1) the individual is employed in the position immediately before the election or appointment of the public official to whom the individual is related in a prohibited degree; and
