◇ Code Compliance Requirements: National Electrical Codes, State Law, and City Ordinance as applicable, and all referenced codes, standards, and other sources. **National Electrical Code Edition: 2011**

◇ **Warning:** All work done by CONTRACTORS AND **PROPERTY-OWNERS MUST COMPLY** with applicable codes, laws, rules, and standards governing said work. It is the sole responsibility of the **owner** to comply. Disputes between contractors and owners are civil issues outside the context of the permitting and inspection process. Inspectors ARE NOT responsible for designing installations or construction practices. **ALL WORK THAT IS SUBSTANDARD MUST BE REMOVED, REPLACED, DEMOLISHED, AND CORRECTED AS REQUIRED.** Covering work before it has been inspected shall require removal of cover material to allow a proper inspection to occur.
