CDC Guidelines

Patients must go fever-free for 72 hours without fever-reducing medication. This applies to those currently under quarantine and those who may be quarantined in the future. Before leaving isolation, a patient's other symptoms — including shortness of breath or a cough — must have improved and at least seven days must have passed from when the symptoms first appeared. Additional Information can be found at www.cdc.gov

COVID-19 TESTING

Access Health & Fort Bend County

In partnership with Fort Bend County, Access Health is providing free COVID-19 testing for EVERYONE -whether you are feeling sick or not. To be tested, follow the steps below:

1. Complete Consultation: go to www.fbchealth.org to schedule online and a representative will contact you. Call 281-238-2363 if you do not have internet.
2. Proceed to testing facility: proceed to testing facility at your scheduled time. Be sure to bring your photo ID and other information as requested by your screener. You will only be admitted to the drive-through site if you have the testing access code received from the healthcare professional. If you don't have a code, you will not be tested.

FEMA Funded Testing Sites

The test sites in City of Houston and Harris County (which are open to FBC residents) are funded by FEMA – they are for first responders, health care workers, and people with underlying health conditions.

To be tested at one of these sites, use this screening tool (www.checkforcorona.com) or call 832-393-4220.

- Butler Stadium, [13755 S. Main Street, Houston, 77035](http://www.bulterstadium.com)
- Legacy Stadium, [1830 Katyland Drive in Katy, TX 77493](http://www.legacystadium.com)
- Stallworth Stadium, [2102 E Archer Rd, Baytown, TX 77521](http://www.stallworthstadium.com)

OakBend Medical Group

OakBend Medical Group is conducting COVID-19 Testing if, and only if, the patient has symptoms (fever, cough, shortness of breath) AND have one of the following risk factors:

- Older than 65 years old
- Have serious underlying health conditions (heart disease, diabetes, lung disease/asthma, HIV, immunocompromised)
- Healthcare workers with suspected exposure

Initial criteria for the Covid-19 Testing will require a Telehealth visit. To schedule a Telehealth visit call 281-238-7870. The patient will be screened during the Telehealth visit for criteria that suggests a possible positive Covid-19. The patient must have proper photo identification in order to proceed with testing. The patient specimen will be collected while the patient remains in the vehicle. Patient must arrive by car or truck. No patients on bikes will be tested.

Drive-thru COVID-19 Testing at Walgreens

Walgreens is offering this service in partnership with the PWNHealth provider network. Testing will be available at no cost to eligible individuals who meet criteria established by the Centers for Disease Control and Prevention (CDC) along with state and federal guidelines. At the testing locations, Walgreens pharmacists will oversee the self-administration of Abbott's new ID NOW COVID-19 test.

To see if you are eligible for testing, complete the steps below:

1. Complete the screening questionnaire: https://www.walgreens.com/findcare/covid19/testing?ban=covid_testing;
2. If you're eligible for testing, a lab order request will be sent to PWNHealth on your behalf and you'll receive an email with next steps.
3. You'll go to the testing location and follow instructions to remain in your vehicle with the window rolled up.
4. You will perform the test using a nasal swab. A Walgreens pharmacist will be there to instruct you.
5. Your test results and contact information will be sent to PWNHealth.
6. You'll receive your results from PWNHealth within 24 hours.
